TEAM Henri Fabre

Marignane near Marseille

<https://team-henri-fabre.com/>

TEAM Henri-Fabre is an association whose objective is to support the competitiveness of industrial companies through a multi-sector innovation approach.

It mobilizes a network of industrial, academic and institutional partners in order to federate groups around projects with technical and societal challenges.

Located in the South-East of France, it has a Technocentre of more than 3000 m² which hosts partners and allows to test, develop and qualify innovative solutions on:

- Additive manufacturing
- Materials and coatings
- Manufacturing processes
- Digitalization of industrial practices

Airbus Helicopters

Marignane near Marseille

To be confirmed

<https://www.airbus.com/en/products-services/helicopters>

Airbus strives to provide the most efficient helicopter solutions to its customers who serve, protect, save lives and safely carry passengers in demanding environments. Its helicopters are in service across more than 150 countries worldwide, performing nearly every type of vertical flight task imaginable. The company's product line offers the full spectrum of rotary-wing aircraft solutions for civil, government, military, law enforcement and parapublic uses.

At the forefront of aeronautical technology for more than 60 years, Marignane is the birthplace of Airbus Helicopters, the world's leading manufacturer of civil and military helicopters. Marignane produces the helicopter manufacturer's complete range, from light single-engine aircraft to the heavy military transport aircraft."
